Password Recovery Tool How to Recover Roblox Password Simple Steps to Recover Roblox Password How to recover Roblox ID/Password? Sometimes Roblox will ask you to reset the password for your account. You don't know the password for your account? There are a couple of things that are needed to complete this simple password recovery procedure. The first step is that the email address you used to log into your Roblox account must be registered on . The second step is that the password that you used when setting up your account must be the same as the password on . Let's look at each of the steps in more detail: Step 1: Click on the Forgot Password link on your Roblox account login page. It is important to do this step in order to bring you to the Forgot your password page that is needed to recover the password. On the Forgot Password page you will be given the option to use two different methods to recover your Roblox password. You can choose to recover your password via the below buttons: Forgot Password (Computer) Forgot Password (Mobile/Tablet Device) To retrieve your password using the Forgot Password (Computer) option: Step 2: Enter your email address and mobile number along with instructions on how to reset your password on and then click the . Step 3: Go to your email inbox and look for an email that has the following subject: . Step 4: If you received the email from the Roblox team, then open up the email and click on the password reset link that is embedded within the email. Step 5: At the end of the page, there will be a verification code that you will have to input into the appropriate field on the page and then click on . Step 6: The password that you used when setting up your account will now be visible when you log into your Roblox account. You can now login with the password by clicking on the Forgot your password button. Step 2: You should already be in the Forgot Password page. Enter the Email Address and Mobile number that you are logged into your Roblox account with. Enter Instructions: Click the recovery button to reset your password. Click on the recovery button that you want to use to recover your password. Step 3: When your email is delivered, you will get a link in the email, enter
