Robin Hobb's City of Dragons, The Rain Wild Chronicles, Book 3. Chapter 6. A pity is a boon when it comes to trade; but pity of the right sort is a blight. This is where I found the city. Eragon had been told that the deep road was a deserted place, a horror like a forest made of stone. But this was nothing of the sort. He and Saphira stood on a wind-lashed plateau of black basalt that rolled south as the Black Marsh and north as the Great Blasted Desert. is "City of Dragons", and this one is "Dragon Keeper". Although City of Dragons (Volume Three of the Rain Wilds Chronicles) has been renamed, the "City" is the same. The main character is still FitzChivalry Farseer, and he is still looking for a dragon (or dragons). He is still a seeker, but no one is expecting him to find a dragon; and he doesn't find a dragon in this book. He does find a great deal of intrigue and political maneuvering, which may lead to the freeing of a Dragon. "What a wonderful book! Once again, Hobb captures the imaginations and souls of her readers." "A different but fascinating look at the concept of the dragons. Absolutely fantastic!" 5 books that changed my life Amazon.com: " City of Dragons, Volume
