Ready for the next big thing in dating? 24 Hours With You is a free and anonymous dating app that has everyone talking — except for your friends. It's like Tinder, except you can take a full 24 hours to match with someone. You can message and set up an appointment to meet that special someone, or you can do nothing and simply get matched to someone based on your profile. 24 Hours With You has been buzzing since its launch in July, and it's quickly become one of the most talked-about apps in New York. Meetings are a guaranteed way to weed out the duds. If you want to play the dating game, you have to let the gamesmanship go. It's not that you have to allow yourself to be a jerk — just be honest. Being honest can mean being straightforward. If you can't accept a guy or girl for who they are, then you might be better off not using the app in the first place. Tinder is all about swiping right and left until you find that special someone. You've heard of it. You've
