
Download for Windows 7 | Android Nuka World is the first game developed by Arachnid Studios that takes place in Nuka World, a fantasy land similar to the real-world Colorado based Nuka-Cola. The game was released on March 29, 2012 for the PlayStation 3 and Xbox 360. WELCOME TO THE LOST CITY - A video game of illusion, coincidence and mystery; a true venture into the world of the supernatural. In this adventure of riddles and puzzles, you will step into the shoes of two strangers arriving at the The Lost City. There you will find yourself in a mysterious world and have to solve puzzles, play games, and help a girl named Lea along the way. The city is populated by long-dead inhabitants that still occupy their old homes and keep the city running. The puzzles that you must solve are interconnected, have an element of chance, and use a variety of different parts from Lea's world. With your help she can recover the key to the world's future, not only her own. * A true adventure game with rich puzzles * Various mini-games * Beautiful visuals and hand-drawn animations * Unpredictable events * Full music score * Lea's voice * Games, puzzles, riddles * Puzzles with a little element of chance * Colors, elements, animals * From the genre of board games.
