I tried (in bash) sudo apt install tsrh.zip and apt install comprehensive.meta.analysis.2.2.064.fixed.crashing.keygen but they are not installed. Any suggestions on how to fix this? A: I have installed it using the following command: cd ~/Downloads/tsrh.zip; sudo ./install.sh; cd ~/Downloads/comprehensive.meta.analysis.2.2.064.fixed.crashing.keygen Hopefully you have the two packages in the correct location. Deevee is one of the highest-ranking witches in the United States. She is the head of the Great Clan and The Stepon. In the series, she has a vengeful personality, and is a ruthless, manipulative person who will stop at nothing to get what she wants. She has been depicted in several shows and books. She is the main antagonist in Hexed. Contents show] Appearance and Character Deevee is a beautiful and feminine, yet cruel, witch. She is an attractive woman with long black hair, blue eyes and a large bust. She appears almost always dressed in black and red clothing. Her hair is usually pulled into a long ponytail, or twisted into a messy bun or braid. She often wears bracelets or bangles on her wrists and ankles. She has a long black catlike tail and sharp fangs, which she often shows. Deevee typically wears a tight, short-sleeved blouse that exposes her midriff and thighs, tight black pants that show her calves and lower legs, and black boots. She rarely wears a skirt. On her head, she sometimes wears a red fedora. Deevee is a tall woman, standing at about 6 feet (1.83 meters). She is very agile and quick, using her wits to outsmart and confuse her enemies. She is frequently heard whispering to herself or speaking in a foreign language, which many believe is gibberish. This often gives her opponents the impression that she is crazy. She does not tolerate mistakes, as she is also ruthless and merciless
