File size: 2.19MB Age of Empires 2 Expansion of Legends (File & Activation Code) is a game that offers players more than just the first amazing Age of Empires game. From the very beginning, players will be able to check out the expansion of Legends of Ages which will have them wanting to find the return of the strongest warriors. The goal of Age of Empires 2, also the sequel to Age of Empires, is to be the leader of all civilizations in the game world. Players will be able to follow this trend and will be able to research, conquer and invade new lands. Victory will bring with it the glory and an even bigger lead in land expansion. Players can become the leader of their own civilization and bring their cities into an interesting shape in the game world. As you have the option of conquering cities of opposing civilizations you will also

---

**System Requirements:**

Windows XP, Vista, or Windows 7. 500 MB of hard drive space. RAM of at least 256 MB. Due to the possibility of some of the game's graphics to be exceptionally large, the amount of RAM needed to run the game is higher than the recommended. Due to a lack of optimization in the game, anyone with an older laptop will experience a decrease in performance. We have tried to optimize the game as best we can, but we will gladly accept bug reports and work on any bugs.
